Dear Sir:

In response to the Office Action dated June 5, 2002, please enter the following amendments and consider the following remarks:

In the Specification

Pleas replace the paragraph beginning at page 1, line 4 with the following rewritten paragraph:

--The present invention relates to an advertising method using software products, and more particularly, to an advertising method using software products in which an advertisement is included in a program of a software product supported by an advertisement sponsor and a user purchases the software products at a low price or for free so that the user watches the advertisement of the sponsor when using the software product, instead of a software developer directly selling the software product to consumers.--

Please replace the paragraph beginning at page 1, line 12 with the following rewritten paragraph:
